Savannah has recommended an anonymous mailing to [REDACTED] who is known to lend some support to the local Black Panther Party (BPP) organization. It was recommended this letter bear the forged signature of the [REDACTED] and contain derogatory comments by [REDACTED] in an attempt to disrupt their relationship. "IT SEEMS, CONTRARY TO WHAT YOU HAVE HEARD, THAT THE MATTER OF FINANCES IS NOT SO DIRE AS YOU HAVE BEEN INFORMED, AND FUNDS APPEAR TO PRESENT NO MAJOR PROBLEM. DAVID IS APPARENTLY CAPITALIZING ON HIS RECENT PUBLICITY AND HIS NUMEROUS APPEARANCES, AND THOSE BY OTHERS OF THE CENTRAL COMMITTEE AS WELL, ARE BRINGING IN A CONSIDERABLE AMOUNT. I GET THE FEELING THAT YOU ARE BEING USED BY DAVID AND THE OTHERS AT THIS TIME FOR YOUR PUBLIC IMAGE RATHER THAN FOR YOUR OVERALL ABILITY TO CONTROL AND DIRECT THE OPERATIONS OF THE PARTY. THIS HAS UNDOUBTEDLY OCCURRED DUE TO THE FACT YOU HAVE BEEN SO FAR AWAY FOR SO LONG.

MATTHEWS, BPP INTERNATIONAL REPRESENTATIVE PRESENTLY IN TORONTO, CANADA, ON SPEAKING ENGAGEMENTS, HAVING JUST ARRIVED THERE FROM ALGIERS. MATTHEWS WAS MET IN CANADA BY RAY HEWITT, BPP MINISTER OF EDUCATION AND CENTRAL COMMITTEE MEMBER AND [REDACTED] SAN FRANCISCO AREA BPP MEMBER.

THE LETTER ALLUDED TO INFORMATION WHICH MATTHEWS WOULD UNDOUBTEDLY HAVE LEARNED FROM HEWITT, WHO IT WILL BE RECALLED WAS DISCIPLINED IN PARTY JAIL AT NATIONAL HEADQUARTERS RECENTLY TO SEE HOW HE, HIMSELF, WOULD RELATE TO DISCIPLINE. HEWITT, IN VIEW OF HIS POSITION, WOULD BE AWARE OF MAJOR PARTY POLICY, FINANCES, ACTIVITIES, AND THE THINKING OF OTHER TOP LEADERS WITH RESPECT TO CLEAVER AT THIS TIME.

MATTHEWS HAS BEEN A CONSTANT SOURCE OF TROUBLE WITHIN THE BPP BASED ON HER EGOTISTICAL ATTITUDE OF SELF-STYLED IMPORTANCE THAT SHE ALONE KNOWS WHAT IS BEST FOR THE PARTY AND THOSE CONNECTED WITH IT. SHE WAS RECENTLY EXPELLED BY CLEAVER AND SHORTLY THEREAFTER BROUGHT BACK INTO THE PARTY BY HIM AS A FIGURE OF MORE APPARENT IMPORTANCE. IT APPEARS THIS ACTION WAS BASED PRIMARILY ON A CLOSE PERSONAL RELATIONSHIP BETWEEN

CLEAVER AND MATTHEWS, NOTING THAT CLEAVER AND HIS WIFE KATHLEEN ARE NOW SEPARATED AND POSSIBLY ESTRANGED AND THIS IS BELIEVED BY SAN FRANCISCO TO BE A RESULT OF MATTHEWS'S ATTENTIONS.

SINCE ARRANGING KATHLEEN'S SEPARATION, MATTHEWS HAS NOW CREATED DOUBTS IN CLEAVER'S MIND AND OF THE PARTY LEADERSHIP AS TO THE LOYALTY OF BYRON BOOTH, INTERNATIONAL COMMITTEE MEMBER AND AIRCRAFT HIJACKER WHO IS BELIEVED TO HAVE TRAVELLED FROM CUBA TO ALGERIA WITH CLEAVER. BOOTH RECENTLY TRAVELLED IN EUROPE WITH MATTHEWS. SHE HAS ALSO CAUSED DOUBTS WITH RESPECT TO [REDACTED]

BOTH OF THESE INDIVIDUALS ARE EXTREMELY CLOSE TO CLEAVER. BOOTH AS A RESULT RECENTLY MOVED TO AN UNKNOWN LOCATION IN ALGIERS AWAITING A CENTRAL COMMITTEE DECISION REGARDING HIM, TO BE BASED ON A COMPLETE REPORT TO BE MADE BY MATTHEWS ON HER RETURN TO THE UNITED STATES. SHE HAS UNDOUBTEDLY TAKEN THESE ACTIONS IN AN EFFORT TO SOLIDIFY HER POSITION WITH CLEAVER.

IT IS ALSO NOTED THAT CLEAVER HAS UNDOUBTEDLY RECENTLY DISCUSSED THE SAME MATTERS WITH [REDACTED] AKA.,

BIG MAN, BPP [REDACTED] ON HIS RECENT ONE DAY TRIP TO ALGIERS.

IN VIEW OF THE SUSPECTED STRONG PERSONAL RELATIONSHIP BETWEEN CLEAVER AND MATTHES<sup>W</sup>, THE BUREAU MAY DESIRE TO INSERT THE WORDS "SO THAT YOU WILL BE AWARE OF MY ARRIVAL AND" AFTER THE WORDS "BRIEF NOTE" IN LINE ONE OF THE LETTER.

IT IS ALSO SUGGESTED THAT A FINAL PARAGRAPH BE INSERTED TO READ: "FOR OBVIOUS REASONS, I AM NOT SENDING THIS THROUGH THE SISTER IN PARIS." THIS WOULD REFER TO THE UNDERGROUND METHOD OF COMMUNICATION BETWEEN THE BPP AND CLEAVER THROUGH [REDACTED]

[REDACTED] WHO RESIDES IN PARIS. THIS IS KNOWN ONLY TO THE TOP LEADERSHIP OF THE BPP AND THOSE INDIVIDUALS ACTIVE WITHIN THE INTERNATIONAL COMMITTEE. IT IS FELT THAT SUCH A PARAGRAPH WOULD LEND A RING OF AUTHENTICITY TO THE LETTER.

AN ENTIRELY ANONYMOUS COMMUNICATION TO CLEAVER OR ANY BPP FUNCTIONARY OR A SERIES OF SUCH LETTERS IS BELIEVED BY SAN FRANCISCO TO BE OF LITTLE VALUE AT THIS TIME OR IN THE FUTURE. THIS OBSERVATION IS BASED ON INFORMATION OBTAINED PREVIOUSLY FROM BPP SOURCES REGARDING SUCH COMMUNICATIONS WHICH HAVE IMMEDIATELY BEEN BRANDED AS COMING FROM THE "PIGS."

SF 157-601

THE LETTER SET OUT ABOVE IS EXPECTED TO IMMEDIATELY CAUSE GREAT DISTRESS TO CLEAVER WHO WHEN HE CONSIDERS THE APPARENT SOURCE WOULD UNDOUBTEDLY TEND TO BELIEVE IT. IT SHOULD GIVE RISE TO SUSPICIONS ON CLEAVER'S PART WITH RESPECT TO DAVID HILLIARD, RAY HEWITT, AND POSSIBLY ALSO WITH RESPECT TO ELBERT HOWARD WHO IS HIMSELF CLOSE TO MATTHEWS AND WHO HAS DISCUSSED MANY OF THESE SAME PROBLEMS WITH MATTHEWS AND CLEAVER. THE FACT MATTHEWS IS IN CANADA AND HER FULL ITINERARY IS PROBABLY UNKNOWN TO CLEAVER WILL PROBABLY PREVENT HIM FROM CONTACTING HER UNTIL HER RETURN TO THE SAN FRANCISCO AREA, ABOUT MARCH FOURTEEN NEXT. IF SUFFICIENTLY AROUSED AND ANGERED BY THAT TIME CLEAVER WOULD PROBABLY REFUSE TO BELIEVE ANY DENIAL OF AUTHORSHIP ON MATTHEWS'S PART. MATTHEWS, ON THE OTHER HAND, A HIGHLY SCHEMING CONSPIRATORIAL TYPE OF PERSON, KNOWING CLEAVER'S ATTITUDE COULD EVEN ATTEMPT TO EXPLOIT THE SITUATION, CLAIM AUTHORSHIP AND ATTEMPT TO INCREASE HER OWN IMPORTANCE.

IN SUMMARY, IT IS EXPECTED THAT AT LEAST SOME DOUBTS WILL BE CREATED IN CLEAVER'S MIND AND A SERIOUS BREACH MAY

RESULT BETWEEN HIM, HILLIARD, HEWITT, AND HOWARD. MORE SEVERE CONSEQUENCES COULD OCCUR RESULTING IN THE POSSIBLE EXPULSION OF MATTHEWS AND/OR HEWITT. IF SUFFICIENTLY ANGERED IT COULD EVEN CAUSE CLEAVER TO RETURN TO THE UNITED STATES.

FOR THE INFORMATION OF THE BUREAU THE TERM "POPPA RAGE" IS A TERM OF ENDEARMENT FOR CLEAVER AND IS NOT CRITICAL OF HIM IN ANY WAY AND HENCE IT WAS NOT USED IN PREPARATION OF THIS LETTER.

EVEN THOUGH THE TEXT OF THE LETTER HAS BEEN PREPARED TO LEAD CLEAVER TO CONCLUDE THAT IT WAS WRITTEN BY CONNIE MATTHEWS, THE TEXT IS NOT SUFFICIENTLY SPECIFIC AND IS SO PHRASED THAT IF CONNIE MATTHEWS DOES DENY WRITING THE LETTER THERE IS REASON FOR CLEAVER TO CONCLUDE THAT SOMEONE OTHER THAN CONNIE MIGHT HAVE PREPARED IT AFTER TALKING WITH CONNIE OR WITH INDIVIDUALS THAT CONNIE TALKED TO. IT IS NOTED THAT BOTH RAY HEWITT AND [REDACTED] VISITED MATTHEWS IN TORONTO, MARCH TWO LAST.

Rebulet to Albany 2/27/70.

The following quarterly counterintelligence letter is submitted in accordance with instructions contained in referenced letter:

## 1. Operations Under Consideration

In December, 1969, this office submitted a recommendation concerning the dissemination of a reprint from the October, 1969, edition of the "Readers Digest" to local businessmen in Albany through the Chamber of Commerce. This was rejected by the Bureau but as an alternative, it was suggested that identities of businessmen contributing to the BPP Breakfast for Children Program be ascertained and thereafter anonymously mailed to them copies of the BPP coloring book.

Inasmuch as the Breakfast for Children Program never went into effect in this Division, and the BPP has become very inactive since this recommendation was submitted, no further action has been taken.

Photographs were obtained of those participating in the above demonstration and 8 identifications were made. In addition, U. S. It should be noted that [REDACTED] is the immediate superior of [REDACTED]. This letter was written in such a manner so that it appeared to be from a disgruntled parishioner of [REDACTED] in New Haven. Subsequent to the sending of this letter, it was noted that [REDACTED] withdrew from all activities involving the BPP in New Haven. This is evidenced by two instances in which [REDACTED] was contacted by members of the New Haven BPP and was requested to perform services for them. On both occasions, [REDACTED] declined and refused to participate in any way with the New Haven BPP.

It appears that the anonymous letter sent by New Haven to [REDACTED] superior was quite effective in causing his withdrawal from all BPP activities in New Haven.

It is felt that the actions of [REDACTED] was instrumental in indicating the violent tendencies and selfish and bickering attitude of those involved, resulting in the ultimate transfer of [REDACTED] from New Haven.

## QUARTERLY PROGRESS LETTER

- II. OPERATIONS BEING EFFECTED

Recently, four individuals from Cleveland, Mississippi, traveled to the San Francisco, California, vicinity to obtain information regarding the Black Panther Party. They were given information to establish a National Committee to Combat Fascism (NCCF) at Cleveland, Mississippi, and the foursome ordered and subsequently obtained 1,000 copies of the Black Panther Party newspaper. The Jackson Division is conducting an expeditious and concentrated investigation to fully identify this foursome and their activities in connection with setting up an NCCF group at Cleveland, Mississippi, so that specific counterintelligence measures can be undertaken to disrupt this group's efforts. In this regard, two individuals who are associated with the foursome have been targeted for development as informants.

By letter dated 2/3/70, the Jackson Division requested Bureau authority to contact [REDACTED] to have [REDACTED] do an article or series of articles showing the Black Panther Party in its true

Bureau approval was obtained to contact [redacted] in this regard and the Bureau forwarded additional public source data concerning the Black Panther Party for possible use by [redacted]. Various copies of Black Panther Party newspapers and data forwarded by the Bureau are being carefully reviewed by Agents who will contact [redacted] in the immediate future regarding a possible article or series of articles unfavorable to the Black Panther Party.

Since the NCCF group at Cleveland is just beginning organizing efforts in the Mississippi Delta area, it is felt that the article(s) by [redacted] if forthcoming, would be most timely and appropriate.

### III. TANGIBLE RESULTS

[redacted] The Afro-American Society is a militant, all-Negro, student group dedicated to ending "Uncle Tomism" at Jackson State College. Jackson State College is a state-supported, all-Negro college of 5,000 students which has been the scene of three racial disturbances in the past three years.

[redacted] Afro-American Society membership swelled and [redacted] two highly successful anti-Viet Nam demonstrations and programs at Jackson State College in October and November, 1969, one of which was attended by 1,200 students. [redacted]

JN 100-980

It is noted that the Chicago Division has advised that in 1967, [REDACTED] was active in a racial disturbance at [REDACTED] and was at that time a close associate of Chicago Black Panther Party leader FRED HAMPTON. (HAMPTON was recently killed in a highly publicized police raid on Black Panther Party headquarters in Chicago.)

[REDACTED] information was developed by Bureau-approved, on-campus informants at Jackson State College which led to the identification of [REDACTED] as being active in narcotics activities at Jackson State College. This information was passed on to the Jackson Police Department. [REDACTED]

[REDACTED] was arrested by the Jackson Police Department on a street near the campus in possession of 50 packets of marijuana, a felony in Mississippi. He was released on bond; however, on his return to school, he was suspended indefinitely on 12/9/69 due to his narcotics activities. He tried to promote a protest demonstration regarding his suspension; however, he was unsuccessful in his attempts in this regard due, in part, to Jackson informants in the Afro-American Society opposing such a demonstration.

[REDACTED] left Jackson State College on [REDACTED] and returned to his home [REDACTED], from which he has not since returned.

The marijuana possession charges will be presented to a Hinds County Grand Jury sometime in March, 1970.

[REDACTED] has exhibited considerably less organizational and leadership potential than [REDACTED] and as a result, Afro-American Society membership has suffered a

JN 100-980

decline and activities have been minimal. [REDACTED]

The Jackson Division feels that the timely information regarding [REDACTED] narcotics activities obtained by Jackson on-campus informants was extremely instrumental in the removal of [REDACTED] as a militant leader on the Jackson State College campus and resulted in his departure from Mississippi entirely. Police officials have advised that the marijuana possession charges outstanding against [REDACTED] are expected to be prosecuted successfully in the near future.

#### IV. OTHER DEVELOPMENTS OF COUNTERINTELLIGENCE INTEREST

---

[REDACTED]

The Republic of New Africa, [REDACTED] is inactive in Mississippi at present, a note-worthy achievement, when it is noted that Republic of New Africa national leaders have been trying without success, since the Republic of New Africa's inception in 1968, to secure land in Mississippi and set up the beginnings of their proposed black nation, starting with Mississippi.

Quality on-campus informant coverage and counter-intelligence measures taken in the past based on quality informant information has been instrumental in the decline of the Tougaloo College Political Action Committee from the leading Black Nationalist group in the state to a relatively inactive posture at present. Many students

JN 100-980

have openly admitted in recent months fear of getting involved in any on-campus black extremist groups since they feel their association with this type of group would surely be known to the FBI.

Information regarding black extremists imparted to police officers during an FBI police school in Jackson, Mississippi, in July of 1969 was instrumental in two officers stopping an automobile containing three Negroes wearing Afro hair styles and dress on July 3, 1970. The car was determined stolen and the three Negroes were determined to be affiliated with the Republic of New Africa in New Orleans. Subsequent checks identified one of the three as being a bank robbery fugitive from Duquesne, Pennsylvania, and he was removed to Pennsylvania. The other two Negroes were convicted in U. S. District Court in Jackson in January, 1970, on charges connected with the interstate transportation of a stolen motor vehicle and related charges and both received significant Federal prison sentences.

BLACK PANTHER PARTY (BPP)  
RACIAL MATTERS

This is to recommend the approval of a counter-intelligence proposal in the form of an anonymous letter to be mailed from Canada to BPP official and fugitive from justice Eldridge Cleaver in Algiers, Algeria.

The BPP is currently involved in an internal dispute over the operation of its international activities. This dispute has been described as one of "major proportions" and has led to the expelling by Cleaver of two BPP officials overseas who in turn have demanded that BPP headquarters expel Cleaver. Although BPP headquarters tends to side with Cleaver, it has been unable to resolve the dispute.

In response to our request, the San Francisco Office has submitted the proposed text of a letter to be sent to Cleaver aimed at inflaming the dispute and disrupting the BPP by indicating to Cleaver that he is being undercut by leaders at BPP headquarters. To be most effective, the letter should be mailed from Canada on hotel stationery inasmuch as BPP leaders who could logically be expected to write such a letter are now in Canada.

## ACTION:

If you approve, the attached airtel will be sent to Legat, Ottawa, authorizing him to prepare and mail the anonymous letter to Cleaver in such a manner that it cannot be traced to the Bureau.

By airtel dated 12/22/69, San Francisco furnished information indicating an [REDACTED] (phonetic), a Rochester, New York high school teacher, was in contact on 12/18/69 with [REDACTED] of the Black Panther Party (BPP) newspaper in San Francisco. The purpose of this contact was to advise [REDACTED] that the Rochester, N.Y. school system would soon be sending a check in the amount of \$102.00 to cover the expense of BPP newspaper subscriptions.

## Potential Counter- intelligence Action

Based on the aforementioned San Francisco airtel, Buffalo has submitted a counterintelligence proposal which would be an anonymous letter sent from a black parent who has a son attending East High School, Rochester, N.Y. who is gravely concerned about the availability of the BPP newspaper at East High School and the fact that tax payer's money was being used to cover subscription cost to the newspaper. This letter was to be directed to highly placed political and educational officials in Rochester demanding action be taken to prevent the use of tax payer's money being spent for subscriptions to the BPP newspaper.

NOTE:

By letter 1-8-70, [REDACTED] sent to the Director a 30-minute tape recording which he had made containing excerpts of revolutionary statements of black extremists and communists. The Director by letter 1-16-70 thanked [REDACTED] for the tape and expressed appreciation for [REDACTED] kind comments. Memorandum G. C. Moore to Mr. W. C. Sullivan 1-23-70 obtained authority for Philadelphia to contact [REDACTED] to obtain his permission to make copies of the tape available to selected individuals. [REDACTED] was contacted on 2-9-70 and gave his permission in that regard. By letter 2-10-70 [REDACTED] thanked the Director for the Director's letter 1-16-70 and stated he was pleased for any use the Bureau might be able to make of his tape.

The Honorable J. Edgar Hoover  
Director,  
Federal Bureau of Investigation  
Washington, D. C.

Dear Mr Hoover :

I was deeply pleased to get your letter, and immensely flattered when [redacted] of your Norristown, Pa., office contacted me and told me again that you had heard the tape that I sent you on the Black Panther communist conference at Oakland, California, last summer. I was most gratified at the news that it might be of any use to you; and the pleasure is entirely mine if this may be so.

The material when it came to us appeared too long, and was bogged down by its general production to where I doubted that would hold interest. Purely as a matter of professional interest as a newsman, I tried to improve it from a production standpoint; and passed in on to some friends, particularly some in news, where there are still some naive enough to treat the Panthers as "just a civil rights organization."

It is unfortunate and amazing what a deep infiltration there is in the news industry, with a leftish persuasion. I do not think that this would be so bad in itself, if there were equal distribution of other viewpoints. But there is not; and the liberal philosophy is considered in the most dogmatic fashion, as being the only one that is any good. Partially from this standpoint and partially after black ratings, a TV chain that I worked for used story after story after story, which in effect promoted and glorified those working to subvert society and bring chaos. A man who would spit on the chief of police was glorified and interviewed on TV as a kind of celebrity, and asked what his next plans might be. But once when I found myself with a black who told me with emotion that he found America the greatest land on earth, and that he had immigrated here from overseas -- I was told by the News Director never to let "that patriotic crap" get on the air again! It was very dear that it would mean my job.

[REDACTED]

The late Edward R. Murrow was a excellent TV craftsman. But it seems that some of the values that he pioneered, such as attacking the right while leaning over backwards to defend the left without criticism, have almost taken over the industry. Last September, Frank Shakespeare made an excellent speech to the Radio and Television News Directors Association, on getting balance into news coverage. He said that news should not be one long monologue from the left, and that there should be other voices. I mingled with my fellow members afterwards and found that most of them did not even know what he was talking about. They were so totally opinionated, that they did not know that any other brand of truth existed.

For this reason, I am delighted to work for [REDACTED] where using radio and TV, I hope to call public attention to some of our basic values in America, and the threat which faces them. I wish that I knew more about the subject -- which one will get precious little about from the news media these days. It is the very highest kind of honor that you feel that the tape I edited to try to bring the light to some friends in broadcasting, can have any value to you and the Bureau.

Very sincerely,

Detroit has submitted a proposal to exploit the rift that exists between SDS and the BBP. It is suggested that an anonymous letter be prepared and sent to local and national leaders of the BPP and the New Left in Detroit, Chicago, and Boston. The letter would purportedly be from a black militant who has become disenchanted with SDS and who accuses SDS of using blacks. Since the letter may serve to widen the split, it is being approved.

## I. Operations Under Consideration

The Bureau has previously advised that it would be sufficient to note the dates on which letters have been submitted in captioned matter, regarding counterintelligence proposals concerning the Black Panther Party (BPP) for the period covered by the quarterly letter.

Since the date of referenced letter, these letters have been submitted as follows:

1/20/70; 2/6/70

Chicago continues to analyze the available current information regarding local BPP activity in a continuing effort to determine what, if any, such information may be of assistance in the development of a counterintelligence effort. The BPP continues to be considered the focal point for counterintelligence.

Reference has previously been made to the specific counterintelligence actions initiated by Chicago. No information has been received reflecting tangible results of these actions.

Chicago has also continued to advise local authorities of instances where BPP members appear vulnerable to arrest on local charges.

Information has regularly been disseminated by Chicago to other Bureau offices for local dissemination in instances where Chicago BPP members have travelled elsewhere. Prior knowledge of the presence of BPP members in their areas has been of value in alerting local authorities to the potential for violence that their presence represents.

#### IV. Developments of Counterintelligence Interest

There are no current developments concerning the Chicago Branch of the BPP, which would appear to have reasonable potential for counterintelligence activity.

Regarding the remainder of local Black Nationalist groups and individuals, their activities are fragmented and limited. Chicago continues to follow such activities in the event information is developed which would indicate a counterintelligence effort would appear to have reasonable potential.

ReWFOlet, 12/1/69.

In accordance with instructions in Bulet dated 3/4/68, the following data is set forth.

## I. OPERATIONS UNDER CONSIDERATION

Concerning the Center for Black Education (CBE), 1435 Fairmont Street, N.W., [REDACTED] the following operations are being considered:

A. The CBE announced in a recent edition of its newspaper "The Pan African" that the MBARI Health Center would open at 1435 Fairmont Street, N.W. To date, WFO sources have provided no information to indicate that the CBE is actually operating a health center. Upon receipt of such information, a proposal will be made to furnish such to appropriate authorities in the D.C. Department of Public Health, inasmuch as they exercise licensing faculties over public health clinics.

B. Another edition of "The Pan African" announced that a Children's Educational Center would be opened at 1434 Fairmont Street, N.W., for children from ages 2 to 5 to run from 7:30 to 5:00 p.m. daily. WFO has been advised that current fire regulations would prohibit the use of the building at 1434 Fairmont Street, N.W., as a daycare center for children

because of the inadequacy of fire protection in this type building. Upon receipt of information that the Children's Educational Center is functioning, a proposal will be submitted to make this information known to appropriate officials of the D.C. Fire Marshal's Office.

## II. OPERATIONS BEING EFFECTED

The information that the CBE is operating a school at 1435-37 Fairmont Street, N.W., with a valid occupancy permit was confidentially furnished to an appropriate official in the D.C. Government Department of Licenses and Inspections. This official advised that he would take immediate steps to have the property inspected after which the person responsible for the property would be required to secure appropriate occupancy permits. Such an occupancy permit can not be obtained without a zoning change requiring a public hearing. Thus it can be expected that the CBE will be occupied for a period of time in resolving this difficulty.

## III. TANGIBLE RESULTS

No tangible results of the operation being effected in II, above, are as yet apparent.

## IV. DEVELOPMENTS OF A COUNTERINTELLIGENCE INTEREST

Of considerable interest is the recent opening of an office of the National Committee to Combat Fascism at 2327 18th Street, N.W. This organization is known to be sympathetic to the Black Panther Party and certain white extremist organizations. The operations of this organization are being followed closely to determine if it is suitable for counter-intelligence action in the future.

INFORMATION IN RETEL CONCERNING DISPUTE OF MAJOR  
PROPORTION IN THE INTERNATIONAL SECTION OF THE BPP INVOLVING  
ELDRIDGE CLEAVER REPRESENTS AN EXCELLENT COUNTERINTELLIGENCE  
POSSIBILITY THAT SHOULD BE IMMEDIATELY EXPLOITED.

SAN FRANCISCO SHOULD PREPARE AN ANONYMOUS LETTER TO  
CLEAVER IN ALGIERS SHOWING HOW BPP CENTRAL COMMITTEE NO  
LONGER CONSIDERS HIM IMPORTANT AS A LEADER; IS UNDERCUTTING  
HIM; AND IS JUST HUMORING HIM IN ORDER TO CAPITALIZE ON  
HIS REPUTATION. LETTER COULD POINT OUT THAT MONEY IS  
FLOWING INTO BPP WITHOUT THE AID OF CLEAVER; THAT HE IS  
KNOWN AS "POPPA RAGE" WHICH IS NOT A TERM OF AFFECTION BUT  
IN FACT MEANS HE IS AN OLD MAN GONE MAD; AND THE FACT THAT

NOTE:

Retel indicates that the international section  
of the BPP operated by Cleaver out of Algiers is involved  
in a major dispute. Cleaver has suspended trusted members  
for unknown reasons and these members are trying to get  
the BPP central committee to suspend Cleaver. We should  
try to exploit this situation to the fullest.

Teletype is being sent due to the fast developing  
nature of the situation which requires immediate action if  
counterintelligence efforts are to be effective.

# ZIONIST MENACE

Zionist aggression against the neighbouring Arab countries, and Israel's inhuman treatment of the Arab population of Palestine, millions of whom have been driven from their homes, continue to occupy a focal point of world anxiety. Behind Israel with her arrogant contempt for the Arab peoples and her dream of establishing a religious Jewish state from the Nile to the Euphrates, stands the world's most powerful and aggressive imperialist state, the U.S.A. Staunchly backing the Arab countries in their demands for the withdrawal of the invading Israeli troops and self-determination for the Palestinian people is the Socialist Soviet Union.

Thus, a prolongation and intensification of the Middle East crisis must lead to a grave danger that the two most powerful nuclear and military states will confront one another. No sane person could wish such an outcome, for reasons which are all too clear.

Yet, that is precisely what the leaders of Israel, aided and abetted by the West, are continuing to do. They refuse to withdraw to the borders they occupied before the aggression of June 1967, as demanded by the Security Council. They refuse to allow the return of the Arab refugees whom they expelled from Israel and from the occupied territories. They continuously conduct fresh aggressions against their neighbouring states.

Their pretext for so doing is that these states are allowing their territory to be used as bases for the operations of the guerrillas of the Palestinian Arab liberation movements. But who could deny the right of people who have been expelled from their motherland by force to return by all means including armed struggle? Or the duty of the fraternal Arab States to give them all assistance in their power?

Israel must quit the territories she has illegally annexed by her acts of aggression. She must renounce the Arab peoples she has inhumanly driven from their ancestral homelands. That is the plain message of the recent Cairo Conference in support of the Arab peoples.

but glorious"

## Cleaver Says Zionists Are The Enemy

Algiers

Eldridge Cleaver said yesterday the United States Black Panther movement fully supports the Palestinian guerrillas in the Middle East.

"Zionists, wherever they may be, are our enemies," Cleaver said in an interview published by the official Algerian newspaper El Moudjahid. Cleaver is the Black Panthers' former information minister.

"We totally support the armed struggle of the Palestinian people against the watchdogs of imperialism," Cleaver said.

He claimed that in the United States "the Zionists are used to torpedo the struggle of our people for its liberation."

Cleaver said police "attempts to weaken and frighten" the Black Panthers in the United States only brought the party increased support. The party was determined to "increase its attacks in the political and propaganda fields and in other fields as well," he said.

SUBJECT: COUNTERINTELLIGENCE PROGRAM

RACIAL INTELLIGENCE

ReHOlet to Bu, 12/12/69.

## I. Operations Under Consideration

No specific counterintelligence operations are currently under consideration at Houston other than to continue to use well-placed Houston informants. As the Bureau has been previously advised, because of the successful operation of these informants, Houston SNCC and Houston BPP activities ceased some time ago and the NOI is the only Black Nationalist organization currently in existence at Houston.

## II. Operations Being Effected

Other than the use of informants, no specific counterintelligence operations are currently being effected.

## III. Tangible Results

As pointed out above, largely through the efforts of effectively placed informants, no organized Black Nationalist type activity of significance exists in Houston with the exception of the NOI which has been in this city for several years, and informants report there appears no immediate likelihood of new Black Nationalist activity of significance developing at Houston.

## IV. Development of Counterintelligence Interest

There have been no outstanding developments in the Houston Division of a counterintelligence nature.

ReTPlet, 12/1/69.

## 1. OPERATIONS UNDER CONSIDERATION

Tampa does not have any counterintelligence operations presently under consideration. On a continuing basis Tampa remains alert for the possibility of counterintelligence action against Black Nationalist groups active within the Tampa Division. At present, the BLACK YOUTH FOR PEACE AND POWER (BYPP), a Tampa-based Black militant organization, is active in sponsoring demonstrations protesting arrests by the Tampa Police Department of leaders of the BYPP. The BYPP has been able to obtain some support from the student community, particularly at the University of South Florida, at the demonstrations. The arrests have been for possession of marijuana, shoplifting, and for the passing of fraudulent checks.

## 2. OPERATIONS BEING EFFECTED

Tampa has opened files on all known leaders and members of the BYPP and during the continuing investigation will remain alert for counterintelligence potential.

## 3. TANGIBLE RESULTS

No tangible results except for continuing cooperation with and dissemination of information to the Intelligence Unit, Tampa Police Department, which has been instrumental in the BYPP arrests.

## 4. DEVELOPMENTS OF COUNTERINTELLIGENCE INTEREST

To date, Black Nationalist organizations active within the Tampa Division have been unable to gain support within the community except for support from the New Left campus organizations. During the continuing investigation of these organizations the possibility of counterintelligence measures will be closely followed.

## OPERATIONS UNDER CONSIDERATION

The Black Panther Party (BPP) has established a chapter in Lima, Ohio, and at present is still in the formative stages. Cleveland is following the organization closely and during the course of interviews with members and sympathizers, remaining alert to any effective counterintelligence operations which might present themselves.

In referenced quarterly letter, mention was made of a possible counterintelligence measure which was being explored. This concerned "leaking" information that a BPP chapter might possibly spill over to the Cleveland area from Lima, Ohio, where a chapter is in existence.

A new group has appeared in the New Orleans area. This organization is called "Black Berets for Self-Defense". The BBSD is a relatively new group of black militants in the New Orleans area. This group is made up of former members of the Black Rams, Together Black and Super Six. The BBSD first came into prominence on January 23, 1970, at the funeral of HENRY HAYNES, its proclaimed Minister of Defense. According to police reports, HAYNES was found

Since the last quarterly letter under the above caption, the Denver group has had very little activity other than selling newspapers and operating the Breakfast for Children Program. The Breakfast for Children Program is faltering and reportedly has only three or four children attending the breakfast.

[REDACTED]

The Denver group is currently being controlled by out-of-town members of the Panthers and they are getting very little support from the Negro community.

It is felt that there is nothing Denver can do at the present time to make matters in the Denver group any worse than their own current position. If a counter-intelligence program is attempted, there is the possibility it could backfire and result in local support for the BPP.

Although remote, it is possible that the initiation of such a rumor by the informant could come to the attention of local authorities who would undoubtedly pursue such information. Subsequent investigation could result in the rumor being traced to the informant. Therefore, it is not believed that this is the type of operation in which an informant should become involved.

Bureau authority is granted, however, for you to mail anonymous notes to selected members of the US Organization containing the allegation that [REDACTED] is going to testify that he was acting upon specific orders issued by [REDACTED] when he took part in the murder of Sylvester Bell, a member of the Black Panther Party.

San Francisco has ascertained that the Black Panther Party until recently maintained a "pad" at 527 Hickory, San Francisco. [REDACTED] the owner of the premises, discovered that the property had been turned into a barricaded premise. Plaster board and 3/4" plywood had been nailed to doors and windows. Near the front door 2 X 4's had been nailed to the floor to act as a scotch for a barricade on the front door. The locks had also been changed and the owner had to take out a windowsill to gain entrance to his property. Sand bags were also left on the premises.

The BPP had moved out without notice, owing rent despite the fact that their attorney, CHARLES GARRY, had promised to take care of the matter.

It has also been ascertained that the BPP has recently rented a house at 27 Farallones, San Francisco, California, and it appears it will be converted into a "pad."

The owner of the house is [REDACTED] He has been cooperative on contact.

Bureau permission is requested for San Francisco to prepare the following anonymous letter on locally purchased stationery and forward it to [REDACTED]

I see that your house at 27 Farallones has now been rented to the Black Panther Party and will undoubtedly be converted into a barricaded premises like other dwellings or stores they have rented.

If you want some first hand information how this group will treat your property by nailing plywood to the windows, changing locks, bringing in sand bags and still refuse to pay rent, you could call [REDACTED]. He can give you first hand account on the experience of being a landlord to the Black Panthers.

SUBJECT: COUNTERINTELLIGENCE PROGRAM

DATE: 2-27-70

Re Richmond letter to Bureau, 12-23-69.

As previously mentioned, in the case captioned "UNNAMED COALITION BEING FORMED IN RICHMOND, VA., RM - MISCELLANEOUS, OO: Richmond, Richmond file 157-2839", Richmond is conducting an investigation of a black nationalist-type group.

Proposed counterintelligence operations aimed at this group have not been submitted for Bureau approval. However, during the course of its continuing investigation of this group, Richmond has used several legitimate cases as vehicles to disrupt the group's organizational efforts and to sow seeds of distrust among those interested in the group. Further, it is felt that the well-planned interviews of most of the members of the "UNNAMED COALITION" have unquestionably forestalled any plans by members of the group to perpetrate acts of violence now that they realize the FBI is aware of them.

The cases used by Richmond to achieve what appears to be a complete counterintelligence victory over the "UNNAMED COALITION" are:

"APPEARANCE OF REPRESENTATIVES OF 'RAINBOW COALITION' IN RICHMOND, VA., 9/16-18/69  
RM - MISCELLANEOUS  
Richmond 157-2809";

"UNSUB; [REDACTED]

By-products of these investigations have been the development of [REDACTED] who appears to have excellent potential as a racial informant and the arrest of [REDACTED], a member of the "UNNAMED COALITION" who Richmond feels will be successfully prosecuted for a firearms violation.

Thus, Richmond believes that while it has not proposed specific counterintelligence operations directed against the "UNNAMED COALITION", the ultimate effect of Richmond's utilization of the aforementioned cases for maximum counterintelligence effect has been successful.

Richmond is continuing its efforts to identify other militant black organizations and/or individuals within its territory. If positive results are achieved towards this end or should it become necessary to direct counterintelligence operations at the "UNNAMED COALITION", appropriate recommendations in this regard will be submitted to the Bureau.

The Black Student Association at Memphis State University has been reorganized and the leadership of this group is no longer in the hands of black militants.

[REDACTED]

These informants report that the Black Student Association at Memphis State University is attempting to keep out of their organization black militants, and if they are successful, this organization will not be militant during the coming school term.

Counterintelligence operations directed against these organizations are being limited by the Memphis Office at the present time to interview of rank and file members of the Black Knights and Invaders in an effort to develop additional informants in these organizations. At the suggestion of the Memphis Office, the Intelligence Unit of the Memphis Police Department conducts daily spot surveillances of the more militant members of the Invaders, the Black Knights, and the Black Student Association at Memphis State University. This counterintelligence operation being conducted by the Memphis Police Department has convinced the leaders and members of these three organizations, according to informants of this office, that they are constantly under surveillance and that their activities are known to the Police Department and the FBI. This counterintelligence operation by the Intelligence Unit of the Memphis Police Department is continuing and is serving as a great deterrent to any militant activities on the part of members of these three organizations.

The Memphis Office will remain alert to any counterintelligence operations that can be used to disrupt black militant organizations at Memphis, and the Bureau will be kept advised of all developments.

Re Omaha letter to Bureau dated 2-9-70.

As pointed out in re communication and prior letters in captioned matter the only known source of income of the United Front Against Fascism (UFAF) at the present time is money derived through the sale of the Black Panther Newspaper, which prior to the last week of January, 1970, arrived on a weekly basis in Omaha via United Airlines Air Freight.

Since BPP Headquarters has changed its policy concerning the publishing of this newspaper to demanding that payment for these newspapers be received at BPP Headquarters prior to the time the newspaper goes to the printer, no papers have been received in Omaha from the San Francisco area. In recent communications from San Francisco, it appears that arrangements are being made to have further shipments of the BPP Newspaper sent to Omaha and contact is being maintained with United Airlines Air Freight so that the Omaha Office will be apprised when regular shipments of the newspaper to Omaha are resumed.

Once these shipments are resumed, United Airlines Air Freight will be contacted on a continuing basis in order to determine if a regular pattern is established for the pickup of these newspapers by UFAF members. Once a pattern is established for the pickup of these newspapers, counter intelligence measures will be aimed at disruption of the distribution of these newspapers.

A proposal for such counter intelligence activities will be forwarded the Bureau by separate communication as soon as sufficient information is available to warrant a recommendation.

## 1. Operations Under Consideration

The NYO continues to give consideration to the disruption of BPP activities through the use of mailings directed to individuals or groups who do not have a complete understanding of BPP tactics or ideology.

These mailings would be prepared in such a way as to appear authentic in content and form as well as being topical. It is felt that they could be used as the vehicle to get inflammatory BPP literature and statements to those individuals who would not ordinarily have access to such material.

Handbills and throw-away type pamphlets would also be utilized in the above described consideration.

The study of the means and methods of distribution of the official BPP newspaper, "The Black Panther", in the NYC area continues but as yet the NYO has not derived a logical or practical plan to disrupt the circulation of this organization.

## 2. Operations Being Submitted

On 12/24/69, 20 reproductions of three types of BPP "Seasons Greetings Cards" were sent to various individuals in the NYC area, according to Bureau instructions given on 12/24/69.

On 2/11/70, the NYO submitted an appropriate counter-intelligence proposal concerning a party given at the home of the well known [REDACTED] in NYC on 1/14/70, at which time money was raised for the aid and support of the BPP.

On 2/12/70, the NYO submitted observations and recommendations regarding contacts with established and reliable sources in the television and/or radio field, who might be interested in drawing up a program for local consumption, depicting the time facts regarding the BPP.

On 2/16/70, the NYO submitted a counterintelligence proposal for the Bureau's approval, which concerned the sending of a "BPP solicitation letter" to a "store owner" and the "store owner's reply letter" to the BPP.

On 2/17/70, two letters to the Editor of "Life" Magazine were prepared by the NYO from the point of view of a reader who would be a middle-class Black man. The letters concerned the writer's views on an article in February 6, 1970, edition of "Life" Magazine which could be construed favorable or at least sympathetic towards the BPP.

### 3. Tangible Results

Inasmuch as the majority of New York's counterintelligence activities since the submission of referenced quarterly letter have occurred near the end of instant quarter it is not felt that the captioned category can be properly evaluated at this time.

It is felt that if utilized a favorable reaction from counterintelligence proposals as submitted by New York can be obtained in the future.

### 4. Developments of Counter-Intelligence Interests

NY 100-161140

The activities of those involved in the New York State trial of the "Panther 21" in New York City are closely monitored as reported by the local media so that appropriate counterintelligence proposals can be submitted.

Also the NYO is acutely aware of the significance of the actions of those who would closely associate themselves with the BPP, the Young Lords or the Young Patriots, as a source of timely counterintelligence proposals.

The activities of the RNA in the NYC area are minimal and therefore, no counterintelligence proposals concerning that organization can be made at this time.

The NYO will immediately inform the Bureau of any situations or developments that occur where counterintelligence techniques may be utilized.

ReBulet to San Francisco 1-23-70.

The Boston Division has several reliable sources and established contacts in the television and radio field who it is felt would give consideration to presenting a suitable program on the Black Panther Party - Boston (BPP-B) based on material furnished to them by this office; however, it is not felt that such a program could be made to be effective at this time. The public activities of the BPP-B have not been violent or extreme in nature. They have engaged in no activities documented in public source material, which could be exploited to the discredit of the organization with perhaps the exception of the local arrests of members of the BPP-B. In this regard, it is noted that a number of these arrests were for lesser offenses and many have been dismissed or filed. Several public demonstrations and rallies held by the BPP-B in which obscenities were voiced by its members were covered by the news media at the time of their occurrence.

Many of the local television and radio stations have regularly scheduled black programs designed to establish better community relations and provide a forum to present the views of the black community in Boston. A program reflecting unfavorably on the BPP might be considered contradictory to these other broadcasts and could possibly be interpreted as racist in nature. In previous contacts with [REDACTED]

he has pointed out the concern of all local stations as to the nature of their programs. They are sensitive to the periodic license review by the FCC and seek to avoid any controversial areas and programs which would leave them open to criticism.

COUNTERINTELLIGENCE PROGRAM  
157-12523

In rerep it is stated a leader of LRBW in February, 1969, described the aim of the LRBW as the elimination, by any means possible, of the control by which the "racist society" seeks to control the blacks. According to the leader this aim may mean taking control of production that economically controls the destiny of the black man. In relet 2/9/70 you list six "labor-management type activities" which includes several activities where the purpose was to indoctrinate others with the aims and purposes of the organization. In view of the above definition of the aim of the group, the Bureau does not feel these activities constitute legitimate labor management activities.

You must be constantly aware that the Bureau is not investigating legitimate union activities, and your investigation in this matter must be handled in such a way as to preclude any criticism of the Bureau. The Bureau fully agrees with you that the wholesale interviewing of LRBW members and/or sympathizers would not be advisable. In view of the fact some of these individuals may be engaged in legitimate union activities, you should obtain Bureau approval prior to conducting such interviews. This policy is not to discourage you from interviewing any of the LRBW members and/or sympathizers who may appear to possess excellent informant potential, but to insure a minimum of opportunity for embarrassment to the Bureau.

In view of the fact LRBW is controlled by a hard core of 20 or so individuals, instead of extensive interviews to develop sufficient informant coverage, you should consider directing informant coverage against individual leaders rather than the organization as such. In this manner, you will be in a position to obtain not only data regarding LRBW activities, but the additional activities of the individual extremists.

The line of reasoning used in relet 2/9/70 is one which apparently does not recognize the seriousness of the threat to the country being posed by extremist individuals and organizations.

Letter to SAC, Detroit

RE: LEAGUE OF REVOLUTIONARY BLACK WORKERS (LRBW);  
COUNTERINTELLIGENCE PROGRAM

157-12523

The Bureau feels that the condoning or excusing of extremist activities on the basis that they may be union-oriented is entirely unwarranted and cannot be used to excuse our failure to be aware of such activities. The fact that an organization, which is operated and controlled by black extremists, which in its publications speaks of "Revolution" and "Death to our enemies" and which is apparently under the influence of the Communist Party (CP), has also been involved in legitimate activities, does not remove its extremist nature or greatly lessen its significance in the over-all racial disturbance picture. Additionally, the fact that an organization may be active in some legitimate union-oriented activities does not alleviate its threat to the security of this country or the Bureau's responsibility for fully developing all pertinent data concerning this threat. Your investigation should, of course, be conducted in a discreet manner and you should in no way give the impression that the Bureau is investigating legitimate union activities.

The Bureau feels that your suggestion to have the Bureau, on a Seat of Government (SOG) level, communicate with the Department of Labor concerning the filing of an annual report by captioned group is premature. It first must be established that the captioned group is qualified or designated as a "Labor Organization" within the meaning of the statute to be required to file such a report. You should promptly determine locally if LRBW is recognized or certified by the National Labor Relations Board and if so, what steps need be taken by LRBW prior to the filing of an annual report. Prior to making the above determination, your additional suggestions as to contact with the Department of Labor and the Department of Health, Education and Welfare regarding discriminatory union practices is not being considered by the Bureau. If you find LRBW is designated as a "Labor Organization," you may resubmit your suggestions for Bureau consideration. Prior to such a determination, no consideration is being given to possible labor violations as set out on page four, of relet 2/9/70.

RE: LEAGUE OF REVOLUTIONARY BLACK WORKERS (LRBW)  
COUNTERINTELLIGENCE PROGRAM

157-12523

NOTE:

League of Revolutionary Black Workers is an umbrella-type organization founded in Detroit, Michigan, which includes several extremist groups in the automobile and allied industries. These organizations were initially formed by black extremists in DE, including [REDACTED]

[REDACTED] all of whom are SI and AI subjects. The LRBW membership is limited to members of the Negro race and members have committed threatening acts against both legitimate union officials and officials of the various companies. LRBW entered candidates in UAW elections, but all of these candidates were soundly defeated indicating that the organization has very little support among responsible Negro workers who compose more than 60 percent of the work force of the automobile industry in the Detroit area.

DE in relet 2/9/70 suggested action which could be taken against the organization but all action was based upon the premise that the LRBW is a recognized labor organization. DE has no information to substantiate such premise which has been reported.

Re Detroit letter captioned, "League of Revolutionary Black Workers", dated 12/10/69, and Detroit report of SA [REDACTED] dated 10/20/69, captioned, "League of Revolutionary Black Workers".

A review of the Detroit file in captioned matter reflects that the LRBW is attempting to establish itself as a "Labor Organization", as defined under Title 29, United States Code, Section 402(1), and has used certain black extremist statements in publications as a means to accomplish this end.

The review of this matter reflects the following activities of the LRBW which are of a purely labor-management type of activity:

*1d*  
1. A wildcat strike held at Chrysler, Eldon Avenue Gear and Axle Plant on 1/27/69, causing a temporary shutdown of plant operations. The wildcat strike was called by the LRBW to protest policies of both Chrysler Corporation and the United Auto Workers (UAW).

2. Participation in union stewardship elections by either candidate in both 1968 and 1969 campaigns in attempt to elect LREW representatives to dislodge UAW officers and to eventually be established as a "bargaining representative", as defined in the National Labor Relations Act for the black workers at various Chrysler Corporation plants in the Detroit area.

3. The filing of an Unfair Labor Practices suit with the National Labor Relations Board on 5/19/69, alleging unfair labor practices against both Chrysler Corporation and the UAW local involved in the aforementioned election.

4. The LREW held a demonstration in front of Cobo Hall in Detroit, on 11/9/69, which was the scene of the UAW strategy meeting where they planned to devise a policy to be used in the negotiations of automobile worker's contracts, which are due for renewal in 1970. The demonstration was an effort to influence delegates to the UAW Convention to subscribe to the tenets of the LREW.

5. The systematic distribution of various pamphlets captioned "DRUM", "SPEAR", "ELRUM", etc., all of which have been previously supplied the Bureau, that requested black workers to support the LREW and its policies.

6. Meetings of the LREW wherein the only business conducted is purely intra-union in nature, e.g. ways to gain support for the LREW and to thwart labor control efforts by the UAW. Reportedly the LREW has had little or no effect on the average worker when they speak of "revolution" and "Death to our enemies", but have had some success when they discuss "sweatshop conditions" at Chrysler and the "selling out by UAW representatives in grievance hearings".

It should be noted that one of the demands made of the UAW by the LREW in the protest demonstration at Cobo Hall, number four above, was the fact that the UAW was "in collusion with the CIA, the FBI and all other white racist institutions", while such a demand in and of itself would have no effect on

DE 157-3751  
DE 157-3214

any legitimate Bureau investigation, it and the six aforementioned labor-management type activities together point out the extreme sensitivity of the Bureau activities in the labor movement, especially where no clear criminal violations of Federal law are indicated.

The foregoing should tend to support Detroit's contention that any investigation in this extremely delicate and sensitive area should be conducted most discreetly through the use of established informants and sources that have been effectively utilized in the past. As pointed out in referenced letter, any wholesale interviewing of LRBW members or sympathizers in an effort to gain Internal Security or Racial Matter type of information would appear to the LRBW leaders as harassment by the Bureau, brought on by pressure or inquiries from either the UAW, Chrysler Corporation or Ford Motor Company. This obviously would not be true. However, the Bureau would not be in a strong position to deny such allegations of pressure, for to do so would be to stipulate the fact that such a security investigation was being conducted into a union or semi-union type of organization.

Detroit has been considering ideas regarding combating LRBW extremism through legal and legitimate means by use of CIP techniques. For example, a communication could be directed to the U. S. Department of Labor on an SOG level which would point out the aforementioned activities (1 - 6 above), and that the Bureau was inquiring as to whether an annual report of a labor organization as required (Title 29, USC, 501), had been filed by LRBW. Detroit has already learned through established sources that such a report has not been filed. However, upon such an inquiry from the Bureau, the Labor Department would then be prompted to ask for such a report from the LRBW. This report would undoubtedly cause much consternation and bewilderment among the leaders of the LRBW, such as [REDACTED] and others, who have little or no ability to comply with such regulatory policies. This may result in a failure of the LRBW to report and would bring on additional harassment by the Department of Labor to secure said report and would leave the Bureau entirely out of the matter. Should such a report be filed, however, the Bureau would have access to it, which would undoubtedly contain data regarding finances, membership and activities of the LRBW.

DE 157-3751  
DE 157-3214

In addition, it could be pointed out to the Department of Labor, as well as the Department of Housing, Education and Welfare (that administers the Equal Opportunity Employment Commission) that the LREW while acting as a legitimate labor organization has systematically discriminated in membership based upon race. Namely, only Negroes are allowed in the LREW, and this is clearly set forth in the constitution of the LREW which states, "Membership is hereby denied to all Honkeys". This, in and of itself, is not necessarily a clear violation of the Civil Rights Act as membership in the LREW is not a requirement for employment at any of the Detroit area plants, but it would make the foregoing departments aware of the LREW's black racism.

A perusal of various labor violations falling within the Bureau's and Department of Labor's jurisdiction indicates possibilities of violation by LREW members of the following:

1. Provisions of Title 29, USC, Section 504(a). No person who has been convicted of various felonies, including robbery, narcotics, assault, etc., shall serve as officer, director or on the executive board of any labor organization, except in a clerical capacity. This statute would probably apply to [REDACTED], who is presently on probation for a charge of carrying a concealed weapon in a car, which is a felony. However, this felony is not specifically enumerated in the act. It also could apply to [REDACTED] who has recently served a California conviction for possession of narcotics.

2. Title 29, USC, Section 501(c), which involves an officer or employee of the union who converts or embezzles union funds to his own use. This is especially pertinent in view of the previous information Detroit has supplied the Bureau concerning [REDACTED] apparent misuse of monies from the DRUM account at the Bank of the Commonwealth, Detroit, Michigan. Proof in this matter would be extremely difficult as an officer of such a loosely formed labor

DE 157-3751  
DE 157-3214

organization could also contend that the monies are, in fact, salaries. However, it is a possibility to consider. Most of the foregoing proposals are predicated upon the securing of the annual report being filed by the LREW to establish in fact that [REDACTED] and others are certified officers of the LREW. These proposals are aimed at bringing the LREW to the attention of regulatory agencies with whose rulings the LREW must comply as all other unions do.

Detroit would appreciate the Bureau's comments on the foregoing summations, observations and proposals from both the standpoint of a generalized Bureau policy which may apply to other black extremist labor organizations, as well as the counterintelligence proposals.

Sacramento is at this time unable to make any recommendations regarding an established reliable source in the television and/or radio field who might be interested in drawing up a program for local consumption depicting the true facts regarding the BPP.

It is to be noted that BPP headquarters in Fresno, Sacramento and Vallejo have been closed and that BPP activity in these respective areas has been very limited in the past two to four months.

In the event the BPP attempts to reorganize or become active in any area in the Sacramento Division, Sacramento will give this program further consideration in an attempt to make some positive recommendation.

Reurlet 1-28-70 and San Francisco airtel 2-4-70.

Bureau approval for the implementation of counter-intelligence program outlined in relet is denied.

The Bureau feels there is merit to the creation of anonymous paper underground to attack, expose, and ridicule the image of the Black Panther Party (BPP) in the community and to foment mistrust and suspicion amongst the current and past membership.

The two leaflet proposals outlined in furtherance of this plan show interest, studied preparation and appreciation of counterintelligence efforts against the BPP. The suggested method of distributing the leaflets involved in present plan utilizing a Special Agent of the Los Angeles Division does not appear to be feasible at this time.

The presence of an individual in the indicated neighborhood giving out pamphlets relating to the BPP would undoubtedly generate undue interest, especially where the subject matter as in proposal two is smutty in nature. While possibly successful initially, it would be difficult in a sustained delivery operation to protect the identity of individuals involved. Under the present delivery suggestion, possible harm to the Agent and embarrassment to the Bureau seem good possibilities.

In pamphlet proposal number two, reference is made to [REDACTED], intending [REDACTED] as an object of the sexual perversion of [REDACTED] BPP members. By letter dated 2-4-70 captioned [REDACTED] RM - BPP" with Buded of 2-27-70, you were instructed to intensify your investigation of [REDACTED] for purpose of interview request. As pointed out in that letter, Bureau request was based on the potential represented by [REDACTED] both from the leadership informant level and counterintelligence aspects against [REDACTED]. Bureau feels that potential represented by interview of [REDACTED] outweighs untimely implementation of proposal two that might destroy the value of such interview. Interview results of [REDACTED] may also have a direct bearing on your planned use of information concerning her.

Consistent with the above comments and the basic merit of your suggestion, you are requested to study and recommend possible alternatives of distribution including the suggestion offered by the San Francisco Office of directing anonymously a copy of the leaflets to each Panther Chapter from Los Angeles.

NOTE:

While the basic suggestion of Los Angeles has merit as a counterintelligence weapon, the correction of the weaknesses and limitations expressed above are necessary to make it functional as a safe and practical tool. Los Angeles submitted two pamphlet proposals in connection with their suggested program. Proposal pamphlet number one was designed to challenge the legitimacy of authority of the two BPP leaders in Los Angeles. Proposal pamphlet number two is smutty in content aimed at two female BPP leaders reportedly engaging in actsoi sexual perversion to the distress of two other BPP females. Los Angeles planned to distribute the above pamphlets in the vicinities of Los Angeles BPP headquarters and other Los Angles BPP locations. They intended to distribute pamphlet number two seven to ten days after pamphlet number one. Los Angeles intended that during early morning hours a Negro Agent assigned to the Los Angeles Division, suitably attired for the localities, would select and pay a small sum to a Negro youngster who would be asked to place the leaflets in doorways and on automobile windows in the vicinity of the locations previously indicated. Under this arrangement of using an Agent, security could not be totally guaranteed.

Re Los Angeles letter, 1/28/70.

San Francisco is of the opinion that suggestion of Los Angeles Division concerning the creation of an anonymous paper underground to attack BPP is original and would have merit in an area where there is an obvious division within the party.

However, this office feels obliged to comment on the proposal to distribute the two leaflets in two neighborhoods of Los Angeles. The facts in Leaflet #1 have been well publicized and are well known to the BPP National Office. Distribution of the leaflet could have little effect on two Panthers mentioned other than giving them some further embarrassment or ridicule. San Francisco does not object to this but believes that distribution of the leaflet would possibly be a goading of one or both of those individuals to violence in a future confrontation with an Agent or other law enforcement officer. Such a danger would outweigh any possible counterintelligence progress and BPP engages in sufficient violence without provocation.

Leaflet #2 deals with a filthy and smutty subject. Again San Francisco has no objection to placing filth in the hands of a Panther but would counsel against general neighborhood distribution of such a leaflet by a minor. An average citizen would find the leaflet abhorrent and could justifiably object if it came into the hands of his children. Despite the fact that origin of the leaflet will remain "unknown" the Panthers would credit its origin to law enforcement. It is the opinion of the San Francisco Division that the FBI should not resort to the distribution of filth in a neighborhood to discredit the BPP. However, the leaflet is well written and it is the suggestion of this office that a copy of the leaflet should be directed anonymously to each Panther Chapter from Los Angeles.

**II. OPERATIONS BEING EFFECTED**

On 2/13/70, [REDACTED] Internal Revenue Service, San Diego, advised that as far as his organization can determine, the US Organization is not required to submit any IRS forms. Therefore, any further activity in this regard is not anticipated at this time.

A check of the telephone of [REDACTED] on 2/16/70, reflected that it is still operational. It would therefore appear that the outstanding telephone bill of \$161.91 has not been paid and has therefore not been possible to place the phone on "vacation" status.

No further results have been observed concerning the Bureau approved information made available to [REDACTED]

San Diego is currently awaiting information from the Los Angeles and San Francisco Divisions concerning the number of Bureau approved caricatures which can be utilized in those respective Divisions. Immediately upon receipt of this information, appropriate numbers of caricatures will be reproduced and mailed to those Divisions for distribution.

The Bureau approved letters to [REDACTED] have been mailed. No tangible results have thus far been observed in this regard.

[REDACTED]

**III. TANGIBLE RESULTS**

The BPP in San Diego no longer exists. [REDACTED] have all advised that the primary causes for the demise of the party are a result of 1) police arrest of BPP members, 2) suspicions between individual members that everyone else was an informer or a police agent, and 3) difficulty over funds.

It is felt that the San Diego Counterintelligence Program has substantially contributed to this situation. For the information of the Bureau, and by way of summary, the following approved activities which fall within the above three categories have been effected and are believed to be the activities which resulted in the causes cited by the informants for the destruction of the party:

[REDACTED]

On 1/23/69, information was received that members of the BPP in San Diego were going to attend the funeral of slain BPP members in Los Angeles. They were reportedly going to be armed in their travels to Los Angeles and this information was immediately furnished to the SDPD and California Highway Patrol. As a result, on 1/24/69, five members of the San Diego BPP were arrested in Los Angeles and charged with possession of weapons and armed robbery.

On 2/3/69, an anonymous telephone call was placed to the parents of [REDACTED] informing them of her involvement and subsequent pregnancy by [REDACTED]. The parents showed extreme concern over a previously unknown situation and [REDACTED] was forced to resign from the BPP and return home to live. It also became general knowledge throughout the Negro community that [REDACTED] a BPP leader, was responsible for the difficulty being experienced by [REDACTED].

In addition, due to the fact that [REDACTED] was on probation, his probation officer was notified of his involvement with a girl who had not yet reached her majority. As a result his probation was revoked and [REDACTED] is currently incarcerated at California State Penitentiary for Men at Chino.

In the interim, prior to the time [REDACTED] probation was revoked, an anonymous telephone call was placed to him advising him that his arrest in Los Angeles was the direct result of information furnished to the Los Angeles Police Department by [REDACTED]. This caused considerable consternation on the part of several BPP members and caused a widening of the split between [REDACTED] and the party.

Due to the fact that [REDACTED] was held in custody by the Los Angeles Police Department longer than the other four members who were arrested with him, the rumor was circulated that [REDACTED] was being detained longer because he was cooperating with the Los Angeles Police Department.

As a result of a substantial amount of suspicious fear and distrust thus interjected into the party, the members took to running surveillances on one another in an attempt to determine who the "police agents" were. On 2/19/69, this information was furnished to the SDPD with the suggestion that possibly local Motor Vehicle Code laws were being violated during the course of these surveillances. As a result [REDACTED] was observed violating a traffic law and was subsequently stopped by the police department. On a routine search of the vehicle, burglary tools were observed and [REDACTED] was placed in custody. Due to the fact that [REDACTED] was at that time on parole, his parole officer was again contacted, made aware of the situation, and a parole hold for investigation was placed against [REDACTED].

On [REDACTED] two BPP members accused [REDACTED] in the presence of several other members of being a police agent. [REDACTED] was disturbed to the point of visible shaking and immediately accused another BPP member. This activity is believed to be a direct result of a Bureau approved anonymous telephone call placed to former BPP member [REDACTED] indicating that [REDACTED] was a police agent.

An additional call was then placed almost immediately after the confrontation to [REDACTED] advising [REDACTED] that [REDACTED] had named him as a police agent in order to protect his own hide.

[REDACTED] when [REDACTED] was sent to Chino Prison, the Los Angeles Police Department was immediately advised and placed a hold against [REDACTED] stemming out of his arrest in that city on [REDACTED]. This hold precludes [REDACTED] being sent to an honor farm and will not allow him to be considered for parole prior to completion of his entire five year sentence.

A felony warrant charging [REDACTED] was obtained in Los Angeles by the San Diego Office of the State Attorney General on [REDACTED] as a direct result of [REDACTED] having been arrested in Los Angeles on [REDACTED]. This arrest was occasioned through information furnished under provisions of the Counterintelligence Program.

[REDACTED] was forced to cease her association with the BPP as a result of [REDACTED] mother reportedly having talked with the mother of [REDACTED]. As a result of what [REDACTED] mother told [REDACTED] mother [REDACTED] began to question the activities of her own daughter. The result of this questioning was that [REDACTED] mother learned that [REDACTED] was also pregnant and therefore had her committed to a reformatory as a wayward juvenile.

On [REDACTED] was arrested by the SDPD as a result of information furnished by the San Diego Office concerning [REDACTED] whereabouts. He had, on [REDACTED] been expelled from the BPP after having been accused by [REDACTED] of being a police informer.

Information received from a criminal informant of the San Diego Office concerning members of the BPP believed to be involved in a car theft ring was furnished to the Intelligence Unit of the SDPD. This unit established surveillances of the suspects and resulted in the arrest of three individuals. At the time of the arrest these individuals, all BPP members, were riding in a stolen 1964 Cadillac.

At the time [REDACTED] was accused of being a police informer by [REDACTED] he complained to [REDACTED] who at that time was [REDACTED]. [REDACTED] told [REDACTED] that [REDACTED] had accused him of being an informant when the truth of the matter was that [REDACTED] himself was an informer.

[REDACTED]

As a result of the widespread rumors initiated by Bureau informants, an extensive purge of the party was attempted in San Diego. As a result, [REDACTED] were ousted from the party.

On 5/16/69, the SDPD raided the Shalimar Restaurant as a result of information furnished to that Detail concerning illegal serving of alcoholic beverages. Three arrests of BPP members were effected as a result of that raid.

On 5/23/69, BPP member JOHN SAVAGE was murdered by [REDACTED] an US member. [REDACTED] was identified through Bureau informants and complete background and descriptive data regarding him was furnished to the police department. As a result a warrant charging [REDACTED] with the murder of SAVAGE was issued and [REDACTED] was subsequently arrested and charged in this regard.

Information was furnished to the SDPD concerning sex orgies being held at BPP Headquarters. On 11/20/69, the SDPD conducted a raid at BPP Headquarters and arrested six individuals. Confidential files were also obtained as a result of this raid as were several weapons.

As a result of the above raid, all of the remaining members, six, of the BPP in San Diego were summoned to Los Angeles. They were informed that due to the numerous problems in San Diego, including the recent raid, the San Diego Branch of the BPP was being dissolved.

[REDACTED]

During an interview of [REDACTED], it was noticed that [REDACTED] car was parked in front of her residence. [REDACTED] who was extremely upset over the BPP, was told that she might wish to have the SDPD remove the vehicle. She telephoned the police department, complained of the vehicle, and as a result the vehicle was impounded.

In addition to the above activities, the BPP Breakfast Program in San Diego was destroyed primarily as a result of anonymous telephone calls placed to the Arch Bishop of the San Diego diocese protesting the activities of the priest who was pushing the BPP Program. As a result, this priest was transferred from the San Diego diocese and the Breakfast Program completely collapsed.

As a result of information furnished to a representative of Governor REAGAN's office on 11/4/69, local news media in San Diego carried a story reflecting that State Senators and Representatives in California have launched a statewide investigation concerning misappropriation of funds designated for the various state colleges and which are ending up in the furtherance of black militant programs.

The leadership of the BPP in San Diego has for the past year and one half been the primary target for the Counterintelligence Program which is believed to have been the catalytic agent in neutralizing them.

[REDACTED] was thrown out of the party as the primary result of rumors regarding the conversion of BPP funds to his personal use and as a result of his consorting with white women.

He was replaced by [REDACTED] who was ousted primarily as a result of rumors spread by informants that [REDACTED] was a "pig", a police informer, and generally incompetent. This, coupled with the fact that the police knew where and when to conduct arrests and raids which compounded and intensified suspicions of BPP members of each other was also a contributing factor. In addition, [REDACTED] allowed the confidential records of the BPP in San Diego to fall into the hands of law enforcement and this fact immediately became known to the BPP Headquarters in Oakland.

[REDACTED] was then sent from Los Angeles to replace [REDACTED] in taking over the reins of the party. Soon thereafter, however, a felony warrant charging [REDACTED] with murder was filed in Los Angeles. [REDACTED] attempted to continue running the San Diego BPP from an underground position but was unsuccessful due to the fact that his every location was reported by Bureau informants and immediately passed on to SDPD. This situation finally caused [REDACTED] to flee San Diego and was subsequently arrested in Northern California.

[REDACTED] then became the dominant figure in San Diego. He met his demise, however, over exploitations of the party and particularly the female members. The police department was apprised of this situation and, as a result, effected numerous arrests and seizure of additional documents and weapons during the course of the raid over a BPP sex orgy.

#### IV. DEVELOPMENTS OF COUNTERINTELLIGENCE INTEREST

As previously indicated, there is no BPP in San Diego. [REDACTED] are the only two individuals who even refer to themselves as Black Panthers. [REDACTED] is currently facing local criminal prosecution, and [REDACTED] is facing a current armed robbery charge.

The US Organization is losing favor in the black community and all of their efforts have met with negative results. For example, they attempted to "pressure" Careers Now, a job placement bureau, to provide more jobs for US members and were soundly rejected. They have attempted to take over the various Black Student Union groups on local campuses, and without exception, have been unable to do so.

The activities of both the former BPP members and of the US Organization, are being very closely followed on a daily basis. Any potential counterintelligence action directed against either of these factions which appears to be indicated will be immediately requested.

[REDACTED] went to the Los Angeles BPP Headquarters and were told by the officials that they no longer are considered as a voice of the BPP and were not to call and/or hold meetings, nor were they to act as representatives of the BPP in San Diego or elsewhere.

The activities portrayed in this letter do not encompass the full scope of the counterintelligence activities directed against the BPP in San Diego. For the purpose of this letter, only those activities falling within the three areas mentioned by the informants have, for the most part, been reviewed.

Re San Diego letter to the Bureau 12/15/69.

As per Bureau instructions, this letter does not contain counterintelligence action directed against the BPP.

## I. OPERATIONS UNDER CONSIDERATION

At the present time there is one proposal awaiting Bureau evaluation.

US, Incorporated, and the individual leaders of that organization are still considered to be the primary targets for this phase of the Counterintelligence Program.

The source of income for [REDACTED] Chairman of the US Organization in San Diego, has been determined. For further information in this regard see Sections II and III of this letter.

Informants have reported that [REDACTED] has a teenage son who has reportedly been harassed by members of the US Organization. [REDACTED] reportedly had a direct verbal confrontation with [REDACTED] and other leaders of the US Organization concerning this harassment of her son. [REDACTED] will be interviewed extensively to identify the members of the US Organization involved and to determine if any potential for counterintelligence requests exist.

## II. OPERATIONS BEING EFFECTED

[REDACTED] is employed by the "Work Study Program" at San Diego State College at a wage of \$2.25 per hour. Revenues for this program are funded 20%.

by the college and 80% by the Federal Government. Upon Bureau approval, this information was furnished to [REDACTED] a confidential investigator of Governor REAGAN's office. For tangible results in this regard see Section III of this letter.

[REDACTED]

At the present time the Bureau is producing 500 "business cards" containing the wording [REDACTED] IS IMPOTENT." Upon receipt, these cards will be distributed throughout the ghetto areas.

### III. TANGIBLE RESULTS

Concerning the furnishing of confidential information to [REDACTED] advised that she had tentative plans to go to Washington, D. C. during the week of 2/2/70. The purpose of this trip was to appear before the Senate Internal Investigative Committee as a "knowledgeable individual". [REDACTED] stated that two of the topics she will discuss involve Bureau approved anonymous information furnished to her concerning funding at San Diego State College and the employment of [REDACTED] in which 80% of his wages are paid through federal funding.

No results of her anticipated appearance have, to date, been received.

### IV. DEVELOPMENTS OF COUNTERINTELLIGENCE INTEREST

An attempt was made to place the telephone of [REDACTED] on "vacation rates", which would preclude incoming calls being received. When a pretext telephone call was placed to the telephone company using the name "SUKUMO", it was learned that the telephone company would not place the phone on vacation rates until an outstanding bill in the amount of \$161.91 was paid. As a result, it was not possible to effect the vacation rates schedule for either [REDACTED] private or business telephone.

V.

MISCELLANEOUS

Informants familiar with the US Organization have reported that US in San Diego has not conducted any type of activities whatsoever aside from the usual "black cultural" activities such as boot dancing demonstrations.

Informants have also reported that all efforts expended by the US Organization to infiltrate and take over the various black student unions on campuses throughout the San Diego area have met with negative results. Without exception, the current leaders of the individual black student unions have adamantly refused to relinquish their leadership to any member of the US group.

Developments concerning the US Organization and their activities are being very closely scrutinized on a daily basis. Any potential for counterintelligence action will be fully explored and appropriate requests submitted to the Bureau.

## Counterintelligence Operations in Effect Against the Los Angeles BPP

The counterintelligence operation proposed in  
referenced Los Angeles letter dated 1/28/70 will be held in  
abeyance pending Bureau approval.

Exhaustive interviews of suspected and past members  
of the Los Angeles BPP continue in an effort to develop  
informants and are serving to create distrust among activists  
and the defection of peripheral members.

## Counterintelligence Operations Under Consideration

A survey of toll calls of selective Los Angeles  
BPP leaders continues, with the results of these reviews  
being considered for counterintelligence proposals.

The Los Angeles Division continues to follow  
arrests of members of the Los Angeles BPP for violations of  
Antiriot and Gun Control laws to determine if any of these  
individuals might be prosecuted under Federal or State laws.  
Liaison with logical sporting goods stores and firearms

On 2/3/70, liaison with Lee's Sporting Goods, 79th and Broadway, and Western Surplus, 8405 South Western, Los Angeles, reflected that [REDACTED] an active member of the Los Angeles BPP, had purchased three shotguns. As [REDACTED] had been arrested during the 12/8/69 Los Angeles Police Department raid on the Los Angeles BPP, it was suspected that she was under a felony indictment and, therefore, in violation of Federal Antiriot law statutes. Contact with local authorities subsequently reflected that [REDACTED] was not yet under local indictment.

Enclosed herewith are two proposed letters which New York offers as suggestions as part of captioned program.

One of the letters purports to be the solicitation of money by the BPP from store owners in the New York City area.

The other enclosed letter purports to be the reply given by the "Store Owner" who was solicited by letter by the BPP.

The plan envisioned by New York is to run off mimeographed copies of the "BPP solicitation letter" and send it as an enclosure with the "Store Owners letter" which would be sent to BPP Headquarters in New York City.

It is hoped that the above plan, if utilized, would create disruption among BPP leaders in New York City by making them think that possibly one of their fellow members or maybe even another group was using the Panther name to extort or swindle money out of a particular group of people.

It should be noted that the exact wording of the "Store Owners letter" would be varied so as to show individuality but would generally follow the theme set forth in the enclosed letter.

The signature and his address would be fictitious but an attempt to make it appear realistic would be made.

IV. DEVELOPMENTS OF COUNTERINTELLIGENCE INTEREST

On 2/11/70, a rally in support of HUEY NEWTON and all jailed Panthers was scheduled to be held at the United States Post Office and Courthouse, New Haven, Connecticut. This rally was publicized in New Haven and it was indicated that some two to three hundred person would be in attendance. The rally began at 12:30 p.m., 2/11/70, and was attended by ten black persons and seven whites. This rally was watched by agents of the New Haven Office and the following individuals were noted to be in attendance:

[REDACTED]

[REDACTED] made comments at this rally in attempts to obtain "crowd support." These attempts were singularly unsuccessful and few people even hesitated while passing the area of the demonstration. The demonstration lasted for approximately one and a half hours and ended without incident. It is noted that a total of only seventeen persons participated in this rally and that the usual crowd of onlookers did not develop. It was noted that almost one half of the participants in this rally were white.

On 2/14/70, a rally in support of HUEY NEWTON was scheduled to be held at Lee High School, New Haven, Connecticut. This rally was designated as a fund raising rally for the New Haven BPP. This rally had been originally scheduled to commence at twelve none, but was later rescheduled to begin at 8:00 p.m.

[REDACTED] advised that this rally began at 8:30 p.m. 2/14/70. This meeting was attended by approximately forty persons, 50% of which were white. A \$2.00 admission fee was charged, but it should be noted that of the approximately forty persons in attendance, approximately twenty of which were BPP and Patriot Party members who were not charged admission. Numerous pamphlets, posters, and BPP papers were on sale, but almost none of these items were bought by those in attendance. [REDACTED] advised that less than \$50.00 was made from the admissions and sale of literature. [REDACTED] also advised that it was quite obvious to all in attendance, that this function was completely unsuccessful. The rally ended at 11:30 p.m. with the dance that had been previously scheduled canceled.

On the occasion of instant explosion, MOORE had a home-made bomb in his hand and was threatening a girl friend at the front door of her home when the bomb immaturely exploded.

Re Miami letter to Bureau, 11/26/69.

Since referenced letter, an organization known as Afro-American Culture Society, Inc. (AACSI) was organized by a group of black militants in the Miami area. This organization, however, apparently was not successful and reportedly is now inactive.

The Black Afro Militant Movement (BAMM), a black militant organization, has been formed in the Miami area in February, 1970. Many of those who were in the AACSI as well as former members of United Black Students (UBS) at the University of Miami are active in this group.

## I. OPERATIONS UNDER CONSIDERATION

Miami is attempting to establish a significant counterintelligence program against BAMM, and the Bureau will be appropriately advised.

## II. OPERATIONS BEING EFFECTED

Miami continues to fully utilize its continuing active interview program with the Black Nationalists for the benefit of this program whenever possible.

## III. TANGIBLE RESULTS

Miami Office was able to obtain a list of officers and members of AACSI shortly after it was organized. An immediate program was instituted to develop background and interview as many of these individuals as possible. Most of the officers and several of the other individuals were interviewed and it appears these interviews were to a major

It is emphasized that the "BPP solicitation letter" would not be sent directly to any individual but would only go as an enclosure to the "Store Owners letter" directed to the BPP Headquarters.

Only a limited number of mailings of the above described letters would be made to enhance the realism of the operation.

New York will take no affirmative action without specific Bureau authority.

To Whom It May Concern:

I received this letter in the mail today and let me tell you right now you're not getting one penny from me.

You might think that you and your Nazi uniforms scare some Jews but you can go to hell.

I am ready for you and if "your representative" shows up in my store I'll blow his God damned head off.

Dear Store Owner:

In a few days you will be visited by a member of our organization who will be soliciting funds to be used to defray the expenses incurred by the wives and relatives of the 21 Victims of the Fascist-Pig oppression in their fight to help their loved ones from being "legally Lynched".

This representative will properly identify himself as a member of the Black Panther Party so that you will be assured that you are not being taken in by an individual out for his own benefit.

You may wonder why you have been chosen to contribute to our cause? The reason is quite simply that we know you have exploited our people for many years: you have over charged them on the junk you have sold them and then you extorted every penny you could from them because they were too weak and poor to fight for their rights.

Well times have changed, Mr. Store Owner, and now your bag is to give to us and not take from us. We know who you are and we know what you can give.

Let us make this as pleasant as possible.

San Diego has proposed that "business cards" bearing the notation [REDACTED] is impotent" be circulated within the ghetto area of San Diego. [REDACTED] is the leader of the black extremist US Organization in Los Angeles. He is well known within the ghetto area of San Diego because he and his organization, through their branch at San Diego, have been feuding with the Black Panther Party. (Information had been previously developed and reported that [REDACTED] has become a complete hypochondriac, fears impotency and suffers from insomnia.) The distribution of the cards described above might prove devastating to his image as the leader of this black extremist group; therefore, approximately 500 copies of the card should be printed and furnished to San Diego.

SUBJECT: COUNTERINTELLIGENCE MATTERS

DATE: 2/12/70

ReBulet to SF, 1/23/70.

Re letter requested that New York submit observations and recommendations regarding contacts with established and reliable sources in the television and/or radio field, who might be interested in drawing up a program for local consumption, depicting the true facts regarding the BPP.

In line with the above request, the following observations are submitted:

It has been the experience of New York that without publicity or mention from any of the established news media, the BPP suffers not only by the fact that it has been generally ignored, but suffers as well from lack of membership interest and discipline.

If a radio or television program were staged by the communications media concerning local BPP activities, it is felt by New York, that in order to be "fair", and present a "professionally" well balanced program showing all sides of the issues, and avoid criticism from minority groups, much effort would be given to show or expose BPP activities which might be construed as beneficial or necessary for the local community.

This aforementioned effort would in effect be "Free Publicity" for the BPP, and give at least a modicum of respectability to some of their illegal and terrorist activities.

It is the observation of New York, from covering BPP activities, that the individual BPP member, when confronted as an individual, or as a member of a group, in a situation where he or she has not had a chance to rehearse his comments or actions, is very inarticulate, and almost always lapses in obscenities and/or absurd diatribes against the so-called "White Establishment" and its legal system, and religious foundations, etc.

NY 100-161140

It is felt by New York, that the above mentioned situation should be exploited to thwart and disrupt the activities of the BPP, both nationally and locally, by indicating to the established and reliable sources of the radio and television media that there is more "news interest" in the unrehearsed comments of the rank and file member of the BPP, than there is in the "canned statements" of one of the national or local leaders of the BPP.

New York realizes that the communications media are bound by the rules of good taste, and cannot present for public consumption, acts or words on the parts of individuals which are obscene or gross, but it is felt that with proper editing, it would still be possible to convey to the public, the basic viciousness and stupidity of the average BPP member without in any way giving them credit for commendable acts or justifying their performance.

Therefore, it is New York's recommendation that contact with reliable sources in the radio and television field, who are concerned with BPP activities, should be directed toward having these sources solicit the unrehearsed comments of BPP members and then publicly airing them.

This could be accomplished, for example, by having a reporter at a televised demonstration of the BPP single out a nondescript BPP member and ask him questions as to BPP aims and policy, etc. The reaction could be favorable toward Counterintelligence Matters.

ReNYlet 2/11/70.

New York is authorized to direct correspondence to individuals known to have attended the 1/14/70 Black Panther Party (BPP) fund-raising function held at the home of Leonard Bernstein outlining the BPP's anti-Semitic posture. In accordance with your request, above correspondence should enclose a copy of the article from the BPP newspaper of 1/3/70 authored by BPP Field Marshal Donald Lee Cox, which clearly shows the BPP's anti-Jewish, pro-Arab position.

Contrary to New York's recommendation, the above correspondence should not bear the signature of a nonexistent individual alleging affiliation with the Jewish Defense League of New York City since it would appear such action might prove self-defeating in the event of an inquiry placed at that organization by any one of the recipients of this letter. It is recommended that New York sign this letter with an anonymous name with additional phraseology such as "A Concerned and Loyal Jew," or other similar terminology.

New York should insure use of unwatermarked bond stationery in connection with the above and utilization of mailing procedures which will not allow the Bureau's identification as the origin of this correspondence.

The Bureau should be advised of specific results obtained as a result of this counterintelligence effort.

ReBulet to NY, 1/30/70.

Referenced letter instructed New York to submit an appropriate counterintelligence proposal concerning a party given at the home of the [REDACTED] in New York City on 1/14/70, at which time money was raised for the aid and support of the BPP.

In compliance with the aforementioned request the following proposal is submitted:

That a letter should be sent to those individuals who have been identified as having attended the above mentioned party with an enclosure from some BPP literature which would closely show the true feelings and prejudices of that organization.

Enclosed herewith is one copy of the said prepared letter which will be typed on a manual typewriter on unwatermarked bond paper along with one xerox copy of page 17 of the 1/3/70 issue of the "The Black Panther", the official organ of the BPP, which is to serve as the attachment to the proposed letter.

It is felt by New York that this proposal can be implemented in the immediate future without any cause for embarrassment to the Bureau and that it would have a positive effect in thwarting the aims and efforts of the BPP in their attempt to solicit money from socially prominent groups with particular international interests.

Dear

According to an article that appeared in "The New York Times" on January 14, 1970 you were in attendance at a party held in the home of [REDACTED]. This article related that the purpose of that party was to raise monies for the legal defense of Black Panther Party members who are now on trial in New York City on various counts of conspiracy to commit murder and so on.

I think you are aware of the activities of the Panther member defendants at the aforementioned trial from your daily readings of the newspaper.

I do not think you are aware of the activities of the Panthers when it comes to expressing their attitudes towards our beloved State of Israel.

I have taken the liberty to enclose a xerox copy of page 17 of the January 3, 1970 issue of the official Black Panther Party newspaper, "The Black Panther" to show what the Black Panther line is for our home land.

The most galling part of this article is that it was authored by the so called "Field Marshal" of the Black Panthers (They even use Nazi military titles) Donald Lee Cox.

What Chutzpah! Two weeks later this neo-Nazi is making a plea to intelligent Jewish people and others for monies to defend those who are out to destroy us by their fascist acts and deeds.

I do think it is incumbent upon you to show more discretion when it comes to dealing with and publicly supporting militant racial groups whose very aims seem to be those of the Arab league and whose officially recognized newspaper seems to be a sounding board for the anti-Semitic hatred put forth by Kasser of Egypt and other hate mongers.

We Jews have fought too long and too hard to let ourselves be destroyed from within by a group of well meaning but foolish people who give aid and comfort to our enemies.

We know who you are.

# ZIONISM (KOSHER NATIONALISM) IMPERIALISM=FASCISM

THE BLACK PANTHER, SATURDAY, AUGUST 30, 1969

The Zionist racist state of Israel is a puppet and lackey of the imperialist and fascist world. Reparations must be made to all the displaced people, all the people who were forced to flee and abandon their homes and homelands by the Zionist (Jewish and Jewish) and terror (fascism). All of the property stolen by the Zionists with their fascist storm troops headed by Moshe Dayan and the aid they received from the imperialist world be returned to the people of Palestine.

Victory to the people's struggle of Palestine!  
Victory to Al-Fatah!  
Victory to Al-Azisha!

To those of you who are still reading after my opening statements, I will run down why what the Zionists and the state of Israel did and are doing to the Arabs can be said to equate to the Nazis did to the Jews.

During the 19th century, national consciousness began to rise among the Arab people and they began to strive to liberate their country from Ottoman rule. The Ottomans had occupied the Arab world for over 400 years. As in any type of colonial situation, this kept the Arab world underdeveloped and stagnant. While the Arab revolutionary movement was underway, the further and further of Jewish minorities in Arab lands was underway and Jews sought refuge in the land. They were welcomed with in the same manner as the Jews. Americans welcomed the Jews in 1948 when the Arab people revolted against Ottoman rule, the Jewish population of Palestine was not over 50,000. The Arab people put all of their time and energy into the revolt against the Ottoman rule.

After a long and arduous struggle against occupation, the day of victory dawned. Instead of welcoming their victory and being able to enjoy their victory, they were told that they were not independent. They discovered that the state (an imperialist state) who had promised to be their friend and was offering support to them as an ally along with the French made an agreement to divide the Arab world between themselves (imperialist pigs). The imperialists viewed the Middle East as a staging place on the route to Asia, and with the construction of the Suez Canal, this cut down the time and cost of trade, with Asia. Also it is important to note that imperialism increased a thousand times when oil was discovered at the turn of this century. In addition to this, Britain managed to have herself recognized as the guardian for Palestine, supposedly until the Palestinian people "became" able to govern themselves.

They also discovered that back in August of 1947, a meeting had been held in Meade, Pennsylvania called by Theodore Herzl, a Jew, and that a new enemy of Palestine and of the Arab world had been created. It's name, YKKNM, Zionism is nothing more than negative, backward, reactionary nationalism, Jewish nationalism, Jewish nationalism. The philosophy of Zionism is reactionary nationalism and oppression. The contradiction of this time was that there was no Jewish nation, no Jewish state. It's trivial then that the program of Zionism was to create a Jewish state. Herzl, the father of Jewish nationalism, was determined to create the Jewish state in Palestine. In 1907 the British government offered an area in Uganda to the Zionist organization. However, the seventh Zionist congress in 1905 rejected any colonization outside Palestine and its neighboring countries. In 1917 while the Arabs were involved in their struggle against the Ottoman rule, British imperialism made a deal with Zionism. This was in the form of a declaration by British foreign secretary, Lord Balfour. The declaration basically said that Britain would facilitate the setting up of a national home for the Jews in Palestine. This was the basis for the subsequent Zionist claim to the right of entry into Palestine. British and Zionist pigs, setting up in Europe somewhere, decided this without the consent and also without consulting the Palestinian people. Whereas the Arabs fought a struggle for freedom, their freedom was for freedom. Their freedom was against the British-Zionist alliance and was for survival. British motives were for control of the land and the Jewish motive was to occupy the land. The target for both was the Palestinian people.

member of immigrants allowed. From 1929 to 1944, Jewish immigration was to be limited to 75,000 after which it was to cease unless the Palestinian Arabs, on the part of the same, arose and against the British occupying Palestine. At first, they were allowed to immigrate freely, but it developed into what the Zionists called a fight for independence. In the meantime, due to the slaughter of millions of Jews in Europe during World War II, Zionism was embraced by world Jewry, especially in the United States. In 1944, a Zionist conference in New York City demanded the establishment of a Jewish state in the state of Palestine and unlimited Jewish immigration. At the same time, Arabs throughout the Middle East intensified their demands for the right to self-determination, freedom and justice. Britain continued the policy of Palestine to Anglo-U.S. discussion for a solution and later to the U.N. Finally, on November 29, 1947, the U.N. proposed that Palestine be partitioned into two states: an Arab state and a Jewish state.

know what happened, we did Jewish settlers in Palestine who increased the flight could tell him how and in what manner we Jews forced the Arabs to leave the state of Israel, 1948, 1949, 1950, 1951, 1952, and 1953 from some unnameable others. There was a people who lived on the land for 1000 years. We came and turned the native Arabs into tragic refugees. And still we dare to stand and malign them, to belittle their name. Instead of being deeply ashamed of what we did and trying to make some of the evil we committed by helping these unnameable others, we justify our terrible acts and even attempt to glorify them.

At the end of this particular right of terror, the state of Israel was proclaimed on May 14, 1948 and was immediately recognized by the U.S. Ambassador to the United Nations. The U.S. was giving Israel approximately one-third more territory than provided by the U.N. resolution. In 50 years after the first human congress and 30 years after the United Nations, Zionism achieved its aim of establishing a Jewish state in Palestine.

Now, 20 years later and after 2 wars, the conditions of the Palestinian people are, continued to worsen.

The U.N. is powerless to do anything but pass resolutions. It is not in the interest of the imperialists to do anything but to continue to arm both sides and keep the Arabs and Jews fighting each other. If the problem of Zionism was not occupying the time of the Arab world, it is a good possibility that they would have a move to put an end to monetary capitalist exploitation of the oil resources of the Middle East. The Persian Gulf area produced 27% of the world's petroleum and has proved global reserves of 60%. American firms have a great investment in the region of more than \$25 billion. U.S. firms control more than 80% of the oil in the area, while British firms control under 20%. Due to the low cost of production and low wages paid the profits on Mid-East oil are astronomical. The Wall Street Journal March 14, 1964 stated that the 1963 per-barrel profits of American (which controls the total output of Saudi Arabia) amounted to 85% on sales as against an average of less than 10% for all U.S. manufacturing corporations. There is no other investment anywhere which offers U.S. companies such phenomenal returns as does Middle East oil.

However, the spirit of the people is greater than the most powerful, imperialist and its lackeys are in their death throes, fascism, imperialism, and their running dogs, Jewish nationalism, Jewish nationalism, Jewish nationalism, all reactionaries are damned. They are going against the grain of history. They are trying to block the road of history and they will be run down. When we examine history of slavery, we see continuous development from a heavy to a lighter level, any form of slavery, slavery or prostitution are all wrong. Therefore, the progressive people, the humanists, the revolutionary people of the world, can understand the fact that capitalism will be replaced by socialism and this is the product of another year like 4 or 5.

ALL POWER TO THE PEOPLE

ARAB VICTIM OF ZIONIST NAPA'LM

of Palestine.

This basically is the root of the problem: the alien pigs joining hands... British imperialism and Zionism. The only choice for the Palestinian people was to take up arms. Second time, the Arab people revolted, especially in 1929, 1936 and 1939 claiming the right of self-determination and demanding the preservation of Palestine as an Arab homeland. In the 1930's, fascism (using demagogues, terror and violence) turned its head with Isaac Pig Adenah Miller. All the atrocities and attempted genocide against the Jewish people under German fascism, its history and its common knowledge. What is not common knowledge is the fascism used by the Zionists to seize and maintain control over Palestine.

Prior to World War II and the slaughter of 6,000,000 Jews, the Zionists did not have any support for their plans for Palestine. In fact, Britain had removed the Balfour Declaration. The British had no intention of the

state, and that Jerusalem itself would be internationalized. It was at this point in history that the Zionists launched their battle against the Arabs in Palestine. The Zionists say the Arabs left Palestine spontaneously and due to the propaganda call of Arab leaders. An objective examination of history reveals otherwise. A conversation between a British officer of the Jordan Arab Legion, Chaim Yussuf, and a Palestine government Jewish official revealed the situation of the Zionist plan. Both asked the same question: official whether the new Jewish state would not have many internal to do in view of the fact that the Arab inhabitants of the Jewish state would be equal in number to the Jews. He said, "No, but that will be hard. A few million immigrants will come to live in it by a different and unexplained step on the village of Yotz 3,000 on April 9, 1948. The fact is that the Jews had only 50,000, but they had received, and

of 140,000 Jews, led to the final flight of the remaining Arabs in the 'Jewish' state. Arnold Toynbee, the British historian, described the massacre as 'comparable to crimes committed against the Jews by the Nazis.' Moshe Shalev, the day that led the attack, said, 'The massacre was not only justified but there would not have been a state of Israel without the victory of the Jews.' After the massacre, the Jewish underground forces cleaned the streets of cities using loud speakers warning the Arab inhabitants, 'The road to Yotz is still open, and remember the Jews.' They told the Jerusalem Arabs, 'Only from Jerusalem have you been killed.' This is enough evidence to show that the Arabs did not leave Palestine spontaneously. Nathan (Nathan), a Jewish immigrant from Russia who arrived in Palestine in 1948 in the same group with Ben Gurion said in a editorial in an American Jewish paper a question that 'If Yotz had really wanted to

Re Omaha letter to Bureau dated 1/26/70.

As indicated in previous communications under captioned matter, the United Front Against Fascism (UFAF) is the only BPP affiliated organization presently active within this Division. At the present time the only known source of income of the UFAF is money derived through the sale of the Black Panther newspaper which, until the week 1/26/70, arrived in Omaha via United Airlines air freight on a weekly basis.

As noted in relet, contact has been maintained on a continuing basis with United Airlines in order to determine if a regular pattern existed for the pickup of this newspaper by [REDACTED] a known UFAF member, to whom these papers have been consigned. United Airlines has advised that no shipments of the Black Panther newspaper have arrived via UAL freight since the week of 1/19/70. The reason for this appears to be the fact that information from San Francisco indicates that the BPP Central Committee recently decided that no newspapers would be sent out unless they were paid for by the time the paper went to press.

Omaha plans to continue contact with UAL air freight so that when regular shipments of the BPP newspaper to Omaha resume, Omaha will be in a position to establish a pattern for a pickup of these newspapers and thereafter initiate counter intelligence measures aimed at disruption of the distribution of this newspaper.

A proposal for such counter intelligence activities will be forwarded the Bureau by separate communication as soon as sufficient information is available to warrant a recommendation.

The Black Panther Party (BPP) has for more than a year disclaimed that they are racists. A call to reporting an alliance on the part of [REDACTED] with a white woman would appear to have little effect. [REDACTED] is married to a white woman.

However, a call from Baltimore might be made to BPP National Headquarters to ROOSEVELT "JUNE" HILLIARD, Assistant Chief of Staff. Instead of merely advising that [REDACTED] is running around with a white girl, it might be stressed that a white girl has the run of the BPP "pad" and that [REDACTED] is spending the people's money on her.

"ANOTHER SIDE"

# Negro Conservative Group Cloaked In Secrecy, Mystery

By Diane Perry

Local organized black groups and civil rights activists are unable to explain why an organization called Another Side has been attacking them recently.

The organization has flooded the Hill district and Homewood with pseudo religious, super patriotic literature attacking militant blacks.

Members of the organization, who call themselves the Negro Colored Moderates of America, held its first convention in Columbus Ohio June 27 thru the 29th.

At this convention, the Thomas, of the Hill district, and Frank Wheeler, of Wilkinsburg, were appointed to committees in the organization.

Although they list such notables as Archie Moore, and Floyd Patterson on their national membership roster, very little is known about the local branch.

The members and their activities are shrouded in secrecy, and information concerning them seems very hard to come by.

According to their own documented information, the local branch of Another Side was spawned in the Bryn Mawr Rd. vicinity of Pittsburgh sometime during the April riots of 1968.

Refusing to permit themselves to be called "black," each issue of their publications makes a direct plea to all Negro and Colored Americans to get on their bandwagon and help them stop the black militants from destroying the country.

Declaring that they will have a victorious D Day in their fight with the black man of America, they say they have organized to fight violent militants, hoodlums, and thugs.

Many victims of their attacks in this area have worked long hours in behalf of their fellow black brothers and sisters.

In ungrammatical, inflammatory flyers, this group de-

man, they further state that Another Side, "intends to stick their necks out for him, (the white man), because not enough good is being said for or about him today."

They ridicule the heritage and culture of the black American, scornfully comparing him with the American Jew. "We

intend to say things," states Another Side, "that are going to make the hairs of your five Afro hair fall out and leave you bridheaded."

Agencies and individuals attacked in the past include K. Leroy Irvis, Inspector William Moore, Dr. Lloyd Bell, and the United Black Front.

In one of the flyers recently printed, they refer to the UBF as a "Black Klu Klux Klan."

Because of the strong anti-black material repeatedly published by the organization, I feel that Another Side is being subsidized by a radical white element.

# Diana's Den Another Side Should Make Name Change

The labels don't fit anymore. One can hardly determine what a group is all about by the title it possesses. The National Association for the Advancement of Colored People, (NAACP), not only has a white president but many white members as well. The presence of so many white young radicals at the last convention of the Black Panther Party suggested it might be a

The extreme right groups have their labeling deceptions. The John Birch Society, known for chauvinistic loyalty to the country, leaves much to be desired as far as the average patriotic American is concerned.

They are labeled conservative, but their insidious destructiveness to the concepts of Democracy, disguised by super patriotism, persistent flag-waving, and communist combatting, fails to impress the average American who find them a little too militant to embrace.

Strange as it may seem, the black race has its share of wolf packs, in sheep's clothing.

Recently, when the Black Construction Coalition demonstrated against the construction industry here, carrying black flags, they were highly criticized by a group of Negroes who call themselves The Moderate Negroes of America.

These so called moderates get pretty good coverage in the white press.

Their singular opinions are usually printed publicly after any black activity in the city, with the inference that these opinions constitute the way moderate Negroes in the city feel about black issues.

When the United Negro Protest Committee changed its name, they too were criticized by the so called moderate Negroes.

Much of the literature printed by this organization talks about black people in a not so moderate way, and although they insist on billing themselves as The Moderate Negroes of America, I do not consider them either moderate, or representatives of the average Negro here.

As far as I am concerned the organization could only be one of two things.

This is either the most classic example ever recorded of a pot calling a kettle black, or the organization, Another Side, is not really another side at all but the same side that has sought to suppress the black man in America for the past 400 years.

If the latter is true, their much heralded Negro title is misleading, and the possibility of a name change may be very much in order for them.

Whatever they choose to call themselves, their continued parental criticism of black groups in the area exemplifies the overall psychological damages heaped upon the black American in these many years.

Consider a race without a cause, for four centuries, yet when some decide to finally fight, they spring from their Rip Van Winkle like existence, and in programmed out confusion, swing for all they are worth, at their own black brothers and sisters.

They sure did a job on us.

As if to substantiate this suspicion, the inflammatory material is generally distributed soon after any black person speaks out in public in behalf of his race.

Dr. Lloyd Bell, and Francine Owens were both attacked immediately after they participated in a seminar conducted in white suburban East Pittsburgh exploring hidden racism.

Charles Harris, member of the United Negro Protest Committee, is a repeated target. One week after the UNPC made a charge against Pittsburgh Plate Glass Industries, for poor equal employment opportunities, PPG honored, feted and awarded Frank Wheeler for his "faithful service in community affairs."

Frank Wheeler and his wife reside in Wilkinsburg. Both are leading proponents of integration, and members of Another Side.

Aside from his participation in Another Side Wheeler, who is the Democratic ward chairman of the predominantly Black first ward of Wilkinsburg, is also the executive secretary and spokesman for the newly formed chapter of the NAACP of Wilkinsburg, and former president, and current vice president of the controversial Wilkinsburg Civic and Forum Association.

All three of these organizations, Another Side, NAACP, and the Civic Association, are reportedly working in close cooperation with one another.

Shortly after the new chapter of the NAACP was formed in

Wilkinsburg, a group of black citizens requested that the New York office of the NAACP investigate the chapter, stating that the election and meetings were held behind closed doors without the knowledge of many of the black people who have been members of the NAACP for years, and who now reside in Wilkinsburg.

He Thomas, one of the national directors of Another Side remains a mystery. Likewise, Redda Jones and Cora Lee, listed as secretaries, and Melvin Robinson, assistant director. None of these people have published telephone listings in the Pittsburgh area.

A J. Samuel Barnes, who is reputed to live in Detroit, is not listed in the Lawyers Blue Book directory of that city.

Mr. Barnes defines Black Power as "bluff, extortion, violence, and blackmail."

The mystery surrounding Another Side will undoubtedly not be permitted to exist much longer.

This strange organization, whose members call themselves a religious education group of moderates, yet continue to employ such militant, unchristian ethics in their actions, have captured the interest of many civil rights activists in Pittsburgh who are anxiously waiting to meet them.

Adopting the strategy of the warring game, a spokesman for one of the often attacked organizations said, "you can't fight what you can't see. Ours is the position of strength. We can wait."
